

## EURAXESS ASEAN Flashnote

### EURAXESS Member in Focus: Germany

Research and innovation are the cornerstones of the future of the German economy. Excellent research and innovation conditions in Germany attract partners from all over the world. Read more about the German research landscape [here](#) including opportunities for international students and researchers.

### Germany: Funding to Establish Joint Research Programs with International Partners Including Australia, China, India, Indonesia, Japan, Republic of Korea, Malaysia, New Zealand, Singapore, Thailand, Vietnam. Deadline 20 December, 2016

Funding available from the German Federal Ministry of Education and Research (BMBWF) to develop joint research programs health research and medical technology; sustainable cities, renewable energies and energy efficiency; environmental technologies and hydrotechnologies. Proposals must be submitted by the German partner. More information [here](#).

### Germany: Development-Related Postgraduate Courses - Scholarships by DAAD in All Subjects

Are you a young professional from a developing country or emerging economy? Do you wish to pursue a Master's degree or PhD at a German university? Then apply for a scholarship from the German Academic Exchange Service (DAAD) for a development-related postgraduate course. More info [here](#).

### Germany: Three Incoming Postdoctoral Fellowships for Female Researchers at TU Berlin. Deadline 5 January 2017

The IPODI Fellowship Programme is open to outstanding female researchers of all nationalities and from all fields of research represented at the Technical University of Berlin (TU Berlin). Applicants must have at least two and not more than ten years of research experience after obtaining their doctoral degree, in exceptional cases an extension of up to three years is possible. More information [here](#).

### Ireland: Call for proposals for EDGE MSCA COFUND Fellowships in ICT and Materials. Deadline 1 December, 2016

Trinity College Dublin  
Coláiste na Tríonóide, Baile Átha Cliath  
The University of Dublin

EDGE is a Marie Skłodowska-Curie COFUND Action, led by Trinity College Dublin on behalf of 10 Irish academic institutions of excellence. EDGE will award 24 and 36 month Fellowships to 71 high-calibre post-doctoral researchers, who will relocate to Ireland to join expert supervisors in the ICT and Materials field. ASEAN researchers eligible. More info [here](#).

### United Kingdom: 9 Fellowships at the University of Warwick's Institute of Advanced Study (IAS). ASEAN Researchers Eligible. Deadline 16 November, 2016

The IAS has received funding from the Marie Skłodowska Curie Actions COFUND scheme to develop the next generation of research leaders in Europe. The Warwick Interdisciplinary Research Leadership Programme (WIRL) will bring together early career researchers from around the world into an interdisciplinary research environment. Details [here](#).

**Belgium: "MOVE-IN Louvain" Incoming Postdoc Fellowships. ASEAN Researchers Eligible. Deadline 4 January, 2017**

This programme aims to reinforce the international dimension of the three partner institutions (UCL, UNamur and USL-B) by supporting highly-qualified postdocs from abroad. The ultimate ambition is to build scientific and technological (S&T) collaborations and long-lasting networks between the respective research fields. The programme is based on a bottom-up approach as all research fields are eligible. Details [here](#).

**France: Postdoc Fellowships at the French Atomic Energy and Alternative Energies Commission (CEA). Deadline 31 January, 2017**

Funds 12 to 36 months postdoctoral fellowships (ending by 31st December 2018) to carry out a research project in a French Atomic Energy and Alternative Energies Commission (CEA) laboratory in one of the four research fields: Energy, Environment and Climate Change (E2C2), Key Enabling Technologies (KET), Life Sciences and Biotechnology (LSB) and High Energy Physics, High Energy Density Physics and Physics of the Universe (HEPPU).

**ASEAN: EU SHARE Scholarships - fully funded one semester exchange for undergraduates in ASEAN. Deadline 11 November, 2016**

The SHARE scholarship programme offers a fully funded, one semester exchange for undergraduate students from selected universities across the ASEAN region. EP-Nuffic will also facilitate capacity-building workshop for universities that are willing to enhance their internationalisation process, student mobility and the use of the new credit transfer systems. More info [here](#).

**European Research Days in ASEAN: Workshops on Effective Proposal Preparation for the Marie Skłodowska-Curie Actions (MSCA). A Few Seats Left in Singapore and Bangkok!**

These one-day workshops will provide detailed information on how to be successful in preparing proposals for the MSCA Individual Fellowships and the MSCA Research and Innovation Staff Exchange (RISE). To register for these workshops, in Singapore 21 November and Bangkok 24 Bangkok, please click [here](#).
